

COMPU-QUOTE INC

Dear Sean,

We want to tell you how much we enjoyed your presentation and would like to congratulate you for the conference you gave to our clients on “Developing a Successful Web Strategy” across Canada.

The conferences were very enlightening and stimulating. The topic was presented in a timely and professional manner and the material was adapted to each province. We received favorable feedback from the participating brokers, expressing that the presentation was very beneficial and constructive.

On behalf of Compu-Quote Inc, thank you for a valuable experience. We will be looking forward to a repeat performance in the near future. It was a joy working with you and we highly recommend your services to everyone in the Insurance Industry.

Respectfully yours,

Philippe Joassin
