

LEAN INSURANCE™

What would you rather hear around your office?

“ Having to do it this way is such a waste of time. ”

“ This document has a mistake in it. ”

“ Sorry, I don't know where the file is. ”

OR

“ The quote is on your desk. ”

“ Here's the presentation you needed. ”

“ Congratulations on getting the sale! ”

Doing it **RIGHT** the **FIRST TIME** will generate the **GROWTH** you want.

Gradient Solutions uses a systematic process called Lean Insurance™ which, through Kaizen workshops, breaks down traditional ways of working and builds new streamlined processes that create the capacity needed to deliver exceptional client experience.

Our program also includes a clear project plan to quickly get you on the right track.

- You will learn**
- ✓ Which of the 7 deadly wastes are affecting your efficiency.
 - ✓ How to reengineer your processes to take full advantage of your technology.
 - ✓ How much your organization will benefit financially from change!
 - ✓ How to use our unique measuring system, allowing you to know what's going on at all times.
 - ✓ What your organization's true productivity potential really is!

It's time for a new method.

It's time for Lean Insurance™!
